

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.

Thrift Stamp Sales.

The sale of Thrift Stamps by the Hayti post office has been quite active for several weeks, and all without a direct campaign through organized efforts.

A post office inspector was here recently and stated that Hayti had exceeded any office in the county in the sale of government thrift stamps, the sales to Monday reaching \$1,529.40.

At a meeting of the leading people of this county in Caruthersville last Monday this county was given the sum of \$499,000.00 to raise in government Thrift Stamps; Hayti township was given the sum of about \$60,000.00. It is impressed upon the people that within a reasonable time if the required amount is not sold the government will take a hand and possibly conscript the money of the land, as well as to conscript the young men. Then it behooves every person to buy Thrift Stamps until it hurts. The per capita is \$20 for Pemiscot county.

I. Kohn, Dr. T. J. Trautmann, B. L. Guffy and Prof. W. H. Johnson were in Caruthersville Monday attending a meeting of the Pemiscot County War Savings Committee. Each of them are quite enthusiastic over the result of the meeting and believe this township should get busy at once and raise its quota of thrift stamp sales. As a result, the chairman of the county committee has called for a mass meeting of Hayti township people to meet in the Odd Fellows' Hall next Monday at 2 p. m. for the purpose of organizing.

If you have chills or malaria get a 35c bottle of Sanoil Chills Tonic, nothing better for chills and malaria. Get it at the drug store.

J. H. Pennock, pastor of the First Baptist church at Malden, dropped in the Herald office for a short visit today while on his way home from Memphis, Tenn., where he had filled an appointment for the pastor of Union Avenue Baptist Church. Elder Pennock was a resident of Hayti eleven years ago and has many warm friends here.

Disasterous Fire at Memphis.

A disasterous fire occurred in Memphis, Tenn., at about nine o'clock Wednesday night, in which the entire plant of the Tennessee Furniture Company was destroyed.

The loss is estimated at any where between \$75,000.00 and \$300,000.00. It is thought to be the work of incendiarism, as there were two men seen running away from the plant just as the fire was discovered. They attempted to make their escape in an automobile that was standing by but failed to get the machine started. The fire started in the engineer's chair in the engine room of the furniture company's plant.

The J. S. Sturm saw mill was shut down Monday morning a short time after starting for the day's run, caused by the bursting of a big circular saw. A short time before the accident Mr. Sturm had just cautioned the boy who removed sawdust from the pit to stay from beneath the saw, and he had only gone a few feet from the scene when the accident occurred. Fortunately no one was hurt, but he was forced to let out the crew until repairs can be made. The accident comes just at the time when he had several big lumber contracts to get out, and of course it causes him much loss.

When you have backache the liver or kidneys are sure to be out of gear. Try Sanoil it does wonders for the liver, kidneys and bladder. A trial bottle of Sanoil will convince you. Get it at the drug store.

F. M. Johnson of the Terry vicinity was in town Monday trading. Mr. Johnson stated the farming conditions in his vicinity was excellent and every farmer was very optimistic. He also said the roads were improving rapidly.

Billy Nethery made a business trip to the county seat Monday.

Streiff is Made a Sergeant.

Sergeant John P. Streiff was in this city on a short furlough the first of the week, also being in the service of his company in the way of apprehending and taking back of a John Douglas of Caruthersville, who is declared a deserter.

Mr. Streiff was in the best of health and to look upon him was only to admire his fine physical appearance and posture, and one would think if every American soldier was as finely equipped and built the war with Germany would not last long once the American soldiers get into the fray.

He also informed us that his superior officer had informed him that he would again be permitted to send his weekly news letter to The Herald, and as soon as possible our readers will be so informed.

The many friends of Mr. Streiff will be glad to hear of his advancement and extend congratulations.

GREAT SURPRISE IS AWAITING PEOPLE OF UNITED STATES

MORE AMERICANS WILL BE IN THE TRENCHES BY SPRING THAN PLANNED FOR.

RED CROSS IS CHALLENGED

Chapters Throughout Southwest Are Urged to Double Their Efforts to Take Care of Brave Soldiers "Over There."

Red Cross chapters of the Southwest are urgently requested by the headquarters of the Southwestern Division, American Red Cross, at St. Louis, to mobilize all their forces and prepare for a surprisingly big drive in the spring.

From all signs and intimations coming from Europe in velle cablegrams, from persons high in the conduct of the war, and from hints dropped from Washington, the number of Americans who will be in Europe by spring will be a great surprise.

It is admitted, on high authority, that there are thousands more soldiers in France than it was thought there would be. From preparations being made at cantonments and from the numbers now in transit, there will be many thousands more in Europe within a short time. They not only will be in Europe, but they will be in the front line, so present advices point out.

This all goes to show that Red Cross workers will have to double up on their work and provide comforts for our own boys and at the same time continue to aid French, Italians and Servians.

It is up to chapters to inform their members of the necessity for more sweaters, wristlets, helmets, mufflers, hospital garments, surgical dressings, etc. Hundreds of thousands of each of these must be made to take care of the boys in the spring.

The time to start the preparation is now. The chapters realize that it takes lots of time to get all of the necessary articles together, and each one will want to make a good showing when the shipments are made.

Of course, the thousands of American soldiers will need Red Cross nurses to care for them. Forty thousand is the number estimated by the surgeon-general for the near future. The nursing service of the Red Cross offers many inducements and undoubtedly many of the patriotic women of the Southwest will join it, so that they can go to France and help in the fight for democracy.

The American Red Cross has appropriated \$4,771,990 for work in Italy between November, 1917, and May, 1918, according to word received at the headquarters of the Southwestern Division, American Red Cross, at St. Louis. The amount was fixed after a survey to determine Italy's needs.

THE REASON.

"You seemed to have bottled up your wrath on this expedition."
"No wonder; we had such a corking good time."

I am Sincere! Stop Calomel! I Guarantee Dodson's Liver Tone

Listen to me! Calomel sickens and you may lose a day's work. If bilious, constipated or headachy read my guarantee.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle

costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe all the next day like violent calomel.

Bevo
A BEVERAGE

Bevo is a great favorite in the Army Canteens, where none but pure, soft drinks may be sold. After drill or march, you are sure to see a long line of hot and dusty-throated soldier boys making a bee line for Bevo. They know that there lies complete satisfaction, full refreshment and pure wholesomeness.

At home or abroad—at work or play—between meals or with meals, you will appreciate what we have done for you in making this triumph in soft drinks. You will find Bevo at inns, restaurants, groceries, department and drug stores, picnic grounds, baseball parks, soda fountains, dining cars, in the navy, at canteens, at mobilization camps and other places where refreshing beverages are sold.

Bevo—the all-year-round soft drink
Guard against substitutes. Have the bottle opened in front of you, first seeing that the seal is unbroken and that the crown top bears the Fox. Sold in bottles only, and bottled exclusively by
